

## SUPERVISOR CONDITIONS

- 1.1. The "Seller" has to send a qualified supervisor to guide assembling process according to these conditions:
  - 1.1.1. Working days: Monday-Saturday (max. 48h/1week).
  - 1.1.2. Salary: XX EUR/1h (excl. VAT) (*request the company for exact information about the salary*).
  - 1.1.3. Payment conditions: once per week (every Friday) to company's bank account.
  - 1.1.4. The supervisor has a right to refuse to guide how to assemble the materials which are not included in the contract.
  - 1.1.5. The "Seller" has to insurance the carpenter and cover arrival/departure costs (i.e. plane tickets).
  - 1.1.6. Supervisor should speak **English** language.
- 1.2. The "Buyer" undertakes:
  - 1.2.1. to provide private accommodation which should not be further than 20 km. from the building site (with drinking water, kitchen and kitchenware, fridge, single beds and bedclothes, toilet, shower, washing machine for clothes) for the supervisor during the building process.
  - 1.2.2. to pick up the supervisor from the airport and take him back (if he comes by plane).
  - 1.2.3. to bring the supervisor to the building site and back every working day or to provide a car and cover all car use costs.
  - 1.2.4. to provide 3 meals per every day.
  - 1.2.5. to guarantee min. 40 working hours per week, min. 3 weeks working term. If the working term is shorter, the "Buyer" has to pay for all this period (i.e. 3 weeks).
  - 1.2.6. to organize an experienced and qualified team of carpenters/builders that would be guided by the company's supervisor. The supervisor is to guide assembling process and share his knowledge about log house construction, not to perform any assembling work.
